

Dotty Chook ~ 10½ x 14½ inch block

© Cindy Rodenmayer 2009

- Seam allowance is not included - please add 1/4" if turning edges under.
- Remember to reverse your templates if you want your blocks to face the same direction as the picture.

I recommend using the –

These silly Chook blocks came out of an afternoon of fun goofing about with the kids. At first I was sketching a normal Mom and Pop pair of fowl. Then they got a bit wild and wacky when a family reunion inspiration got added into the mix. What can I say; we have fun teasing about things here!
