Caught Ya!

© Sindy Rodenmayer 2017

This pattern comes with 26 different lure templates. I designed many so that larger quilts could be made without repeats. This is a favor I am often asked for © Lure appliques have been broken up into sets of two, as many of them are variencies on each other. Also included is a diagram with the coresponding block labled in a quilt outline.

Templates have already been reversed for fusible applique. Eyes and hooks are the same size for all lures.

If you are hand appliquing please add in seam allowance.

Yardage for the appliqued Lures:

Assorted scraps or fat quarters for the bodies.

1/2 yard of black for eyes, stripes and hooks.

Assembly:

To create the throw sized quilt make rows 1 through 6

To create the twin sized quilt make rows 1 through 8

Feel free to move the lures around in your project! Two spare lures have been included. 2B and 5B are not used in this diagram.

Using the diagram for refrence -

- Sew your applique blocks.
- Sew the blocks into rows of three using the shorter sashing strips.
- Sew the longer sashing strips to the sashing corner stones, to make sashing rows.
- Sew the applique rows and the sashing rows together.
- Sew on side inner borders.
- Sew on top and bottom inner borders.
- Sew on side outer borders.
- Sew corner blocks onto top and bottom outer border strips.
- Sew the top and bottom outer borders on.
