

American Eagle

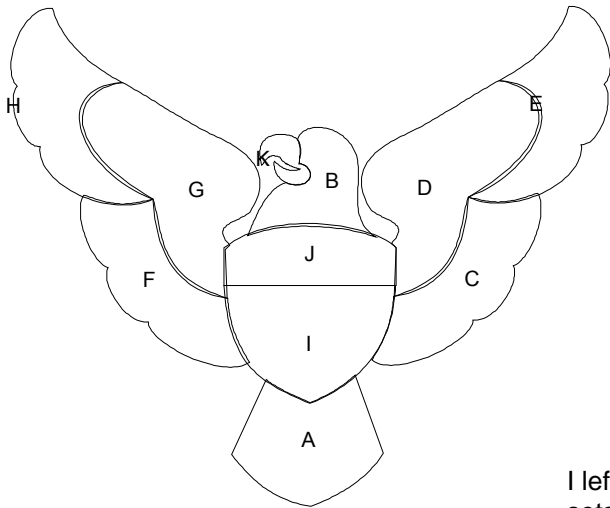

This block is 12 1/2 inches unfinished.
Reverse the templates for eagles head and beak for
your applique to face the correct direction.

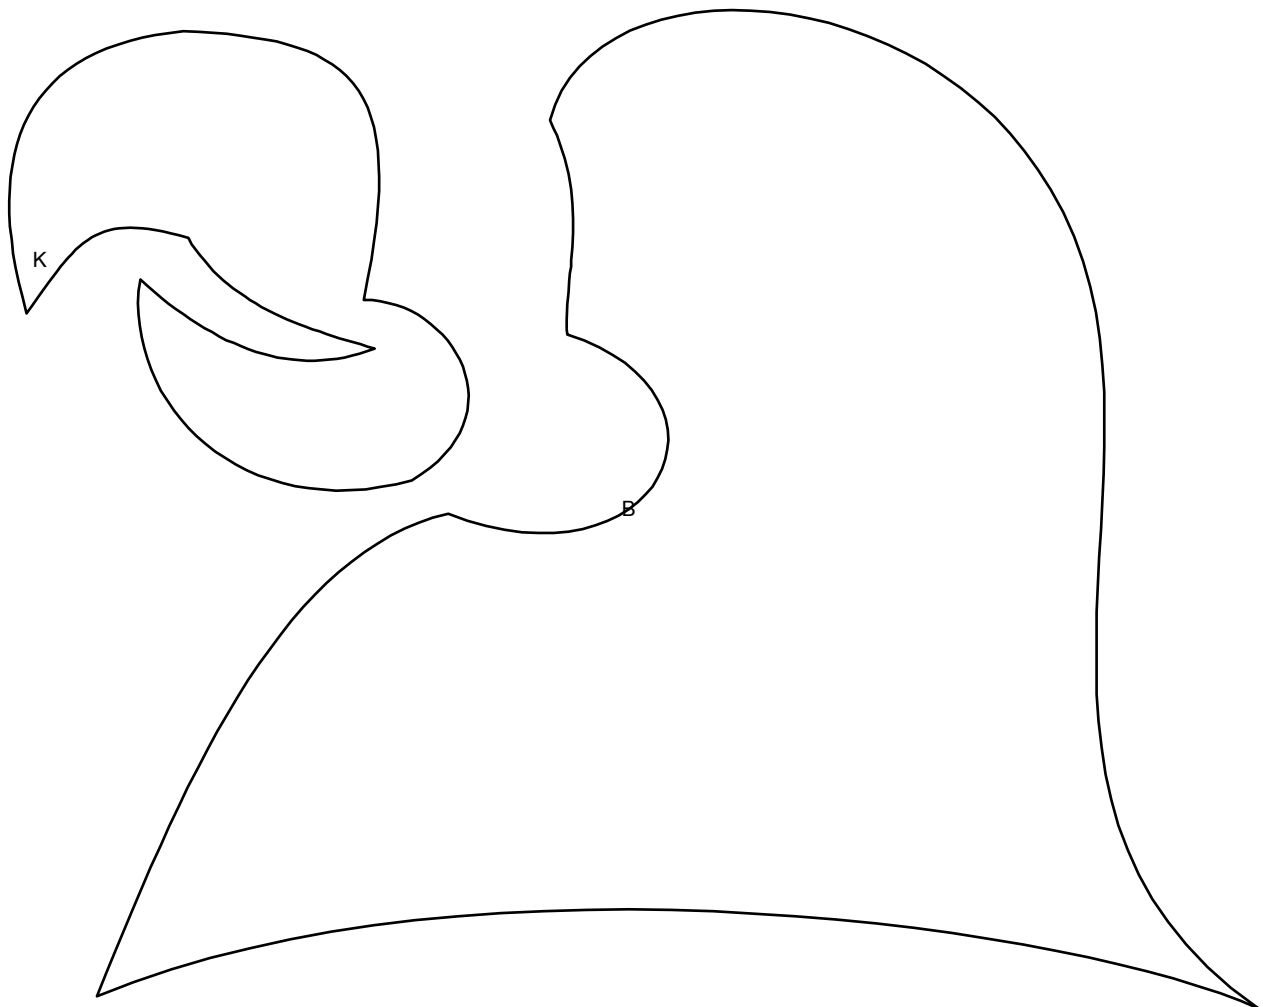

American Eagle

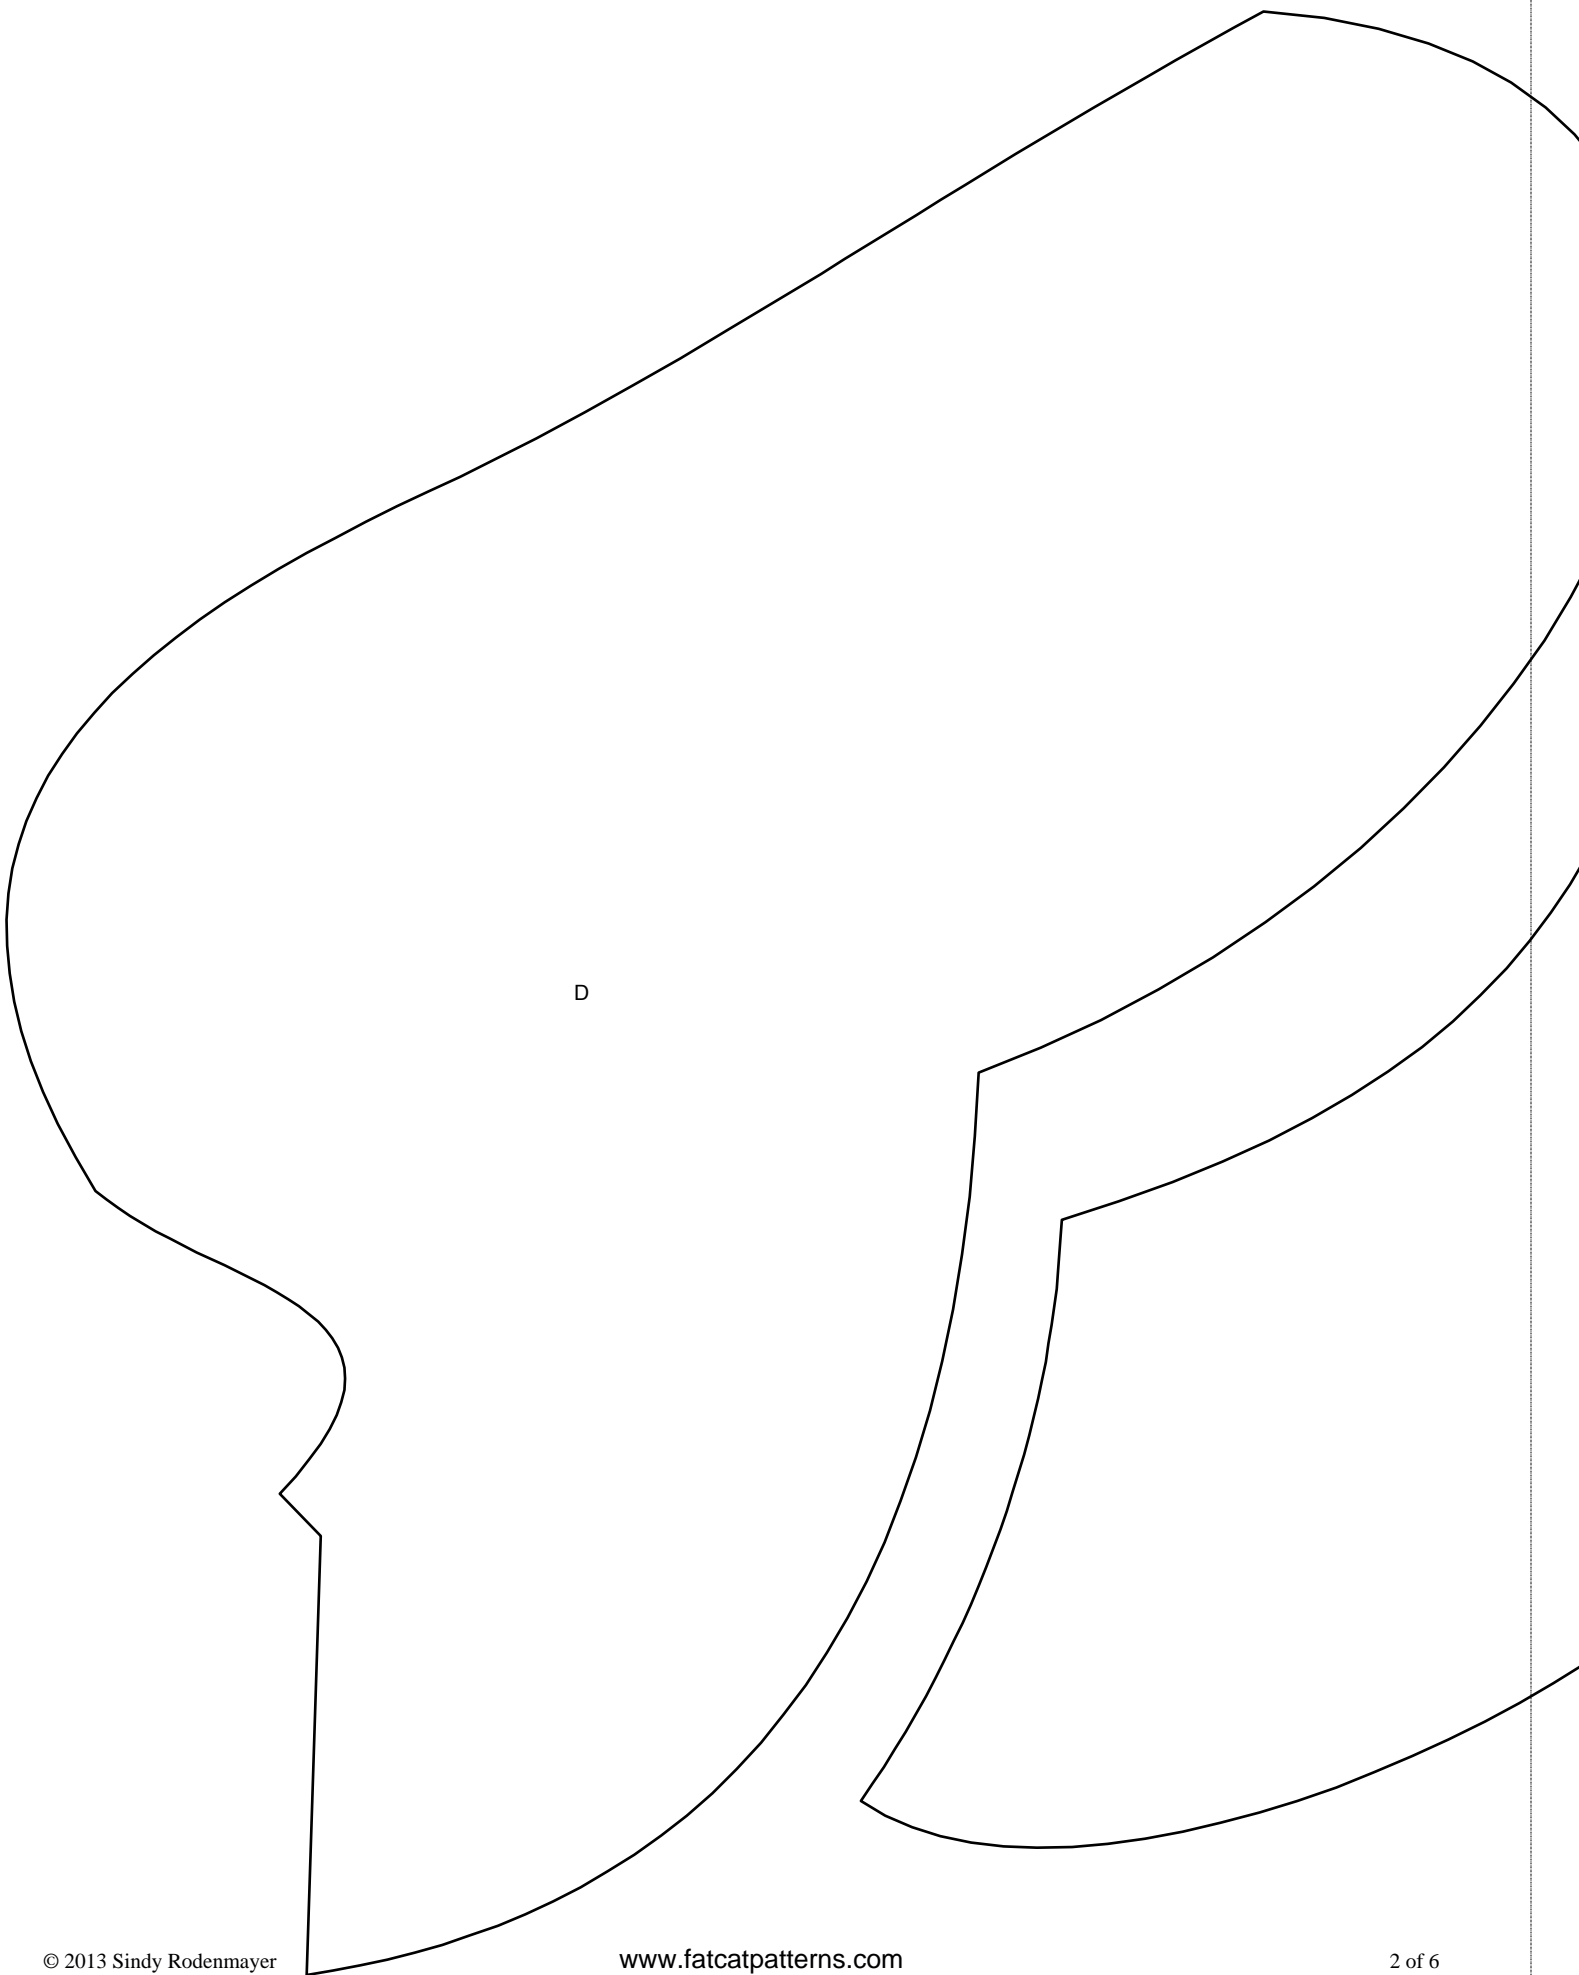

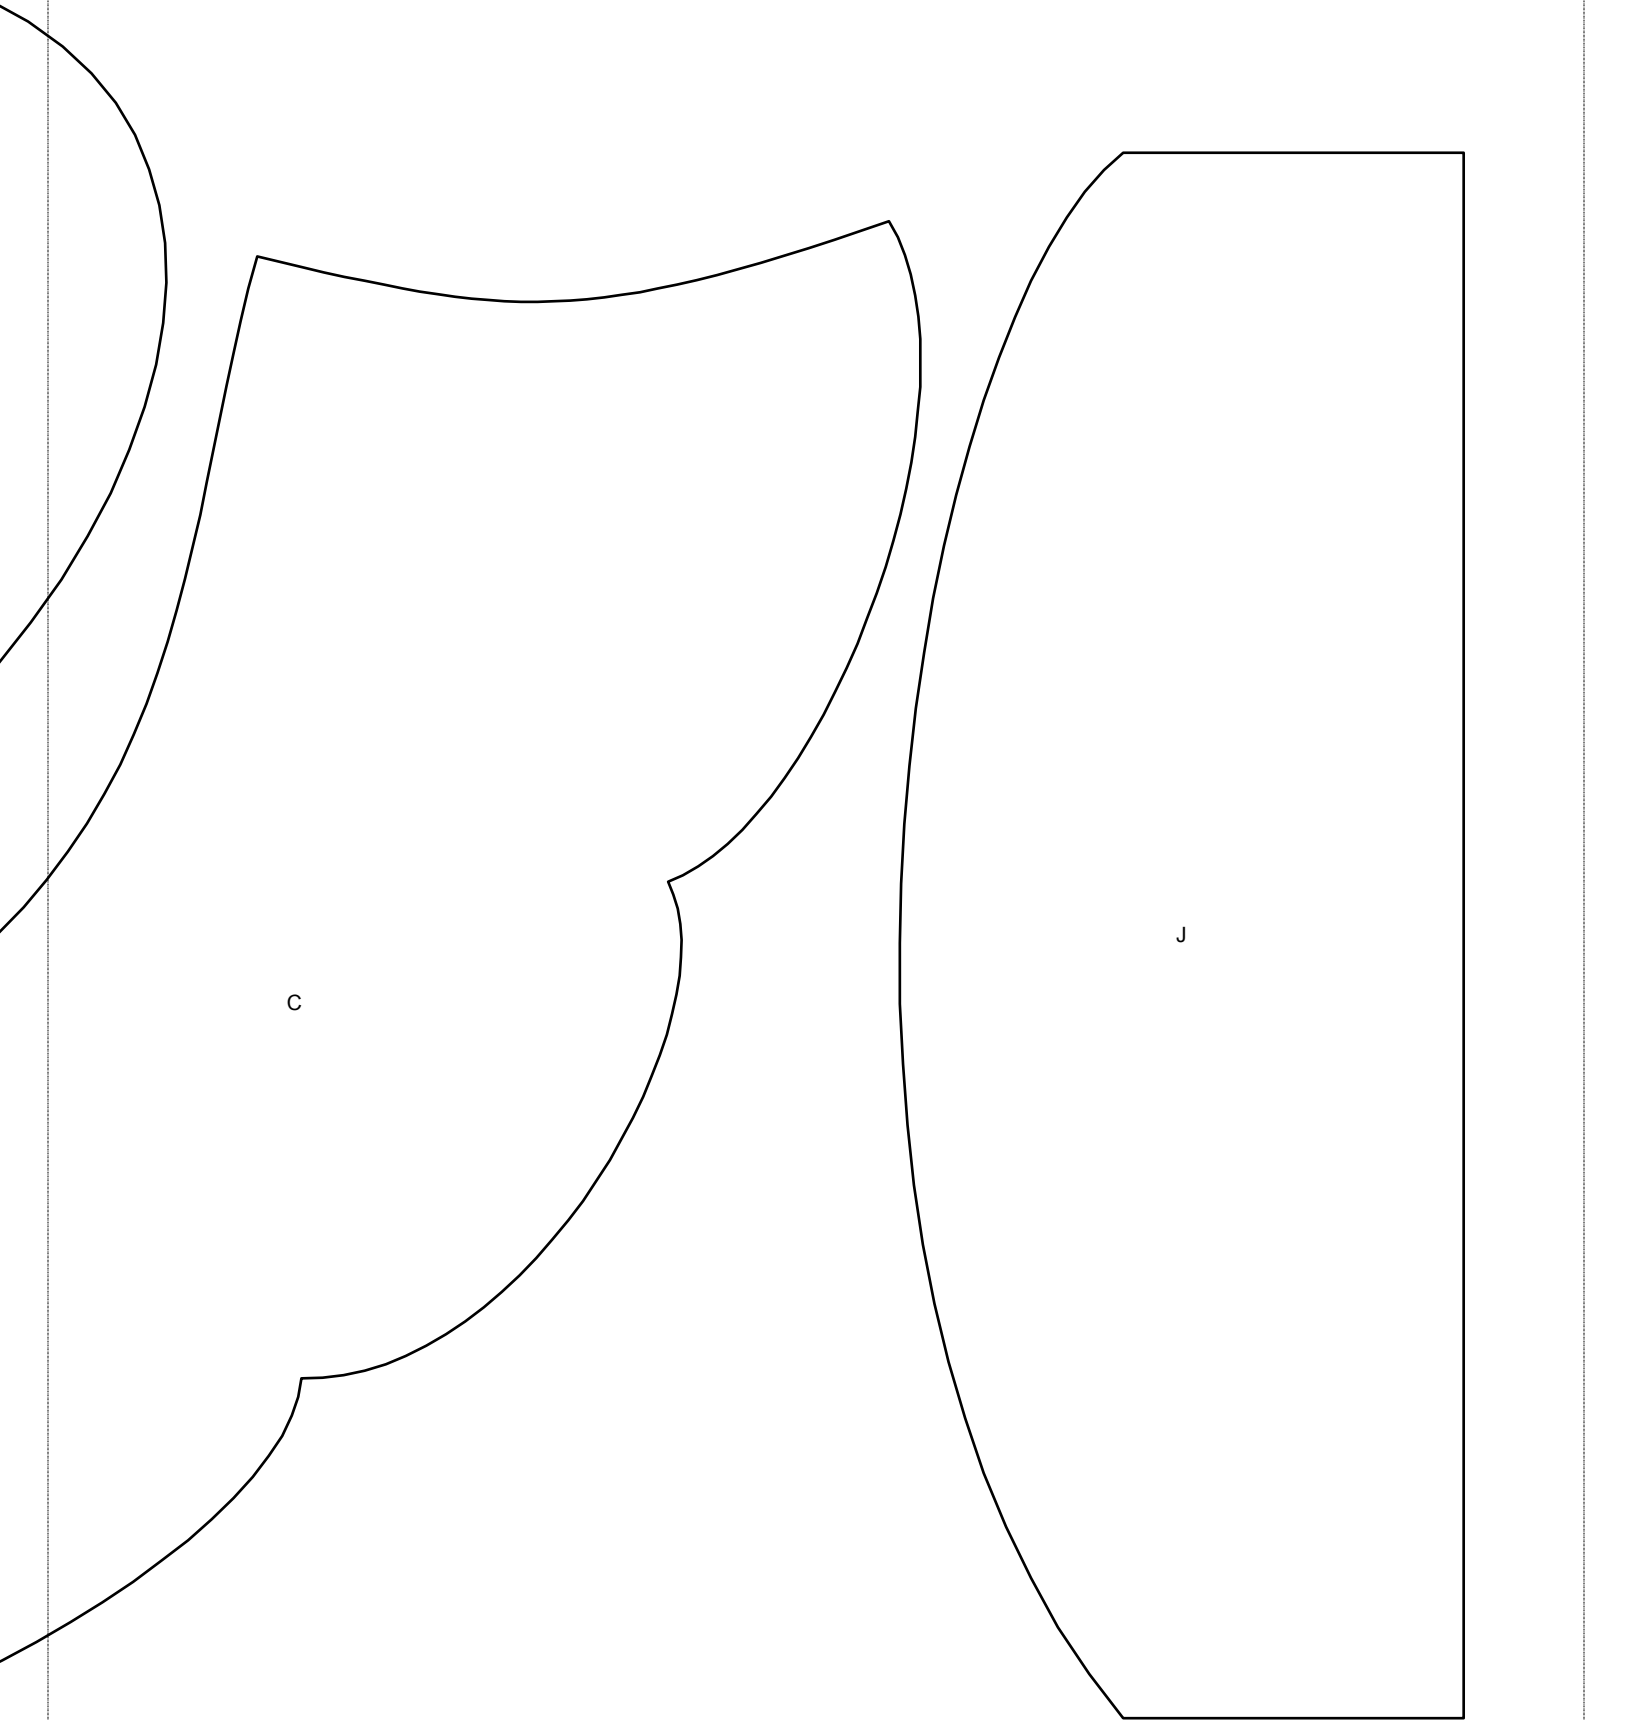

I left off patches F, G and H. Just use C, D, and E. Make two sets, one normal, one reversed. This block is 30 1/2 inches unfinished.

The wing templates extend over multiple pages. Please tape them together along the guide lines.

Reverse templates B and K, so that your eagle will face the proper direction.
