

# Summer Flower Pots

© Cindy Rodenmayer 2012

6 1/2 x 9 1/2 inch unfinished block

Here is a collection of easy to mix and match flower pots and flowers. Use them to create anything! An entire quilt, a wall hanging, placemats or a mug rug. Use up those scraps you have been saving!

This is designed with fusible applique in mind, but can easily be used for hand applique, just add a 1/4 inch seam allowance to each patch. Templates are full sized.

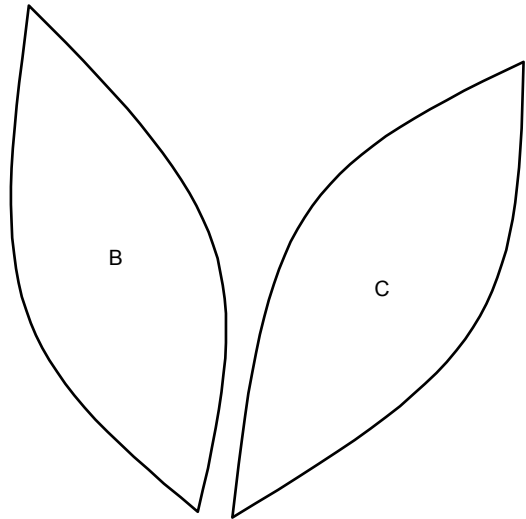

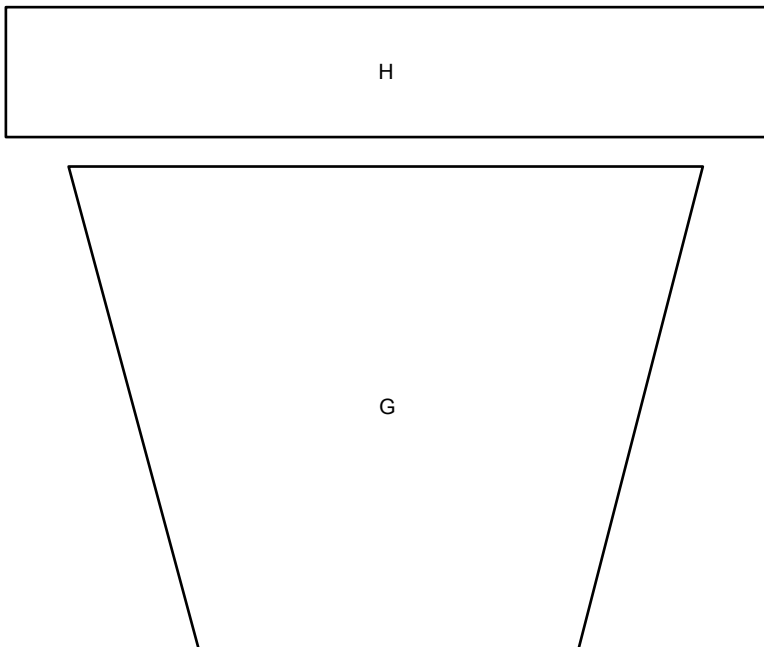

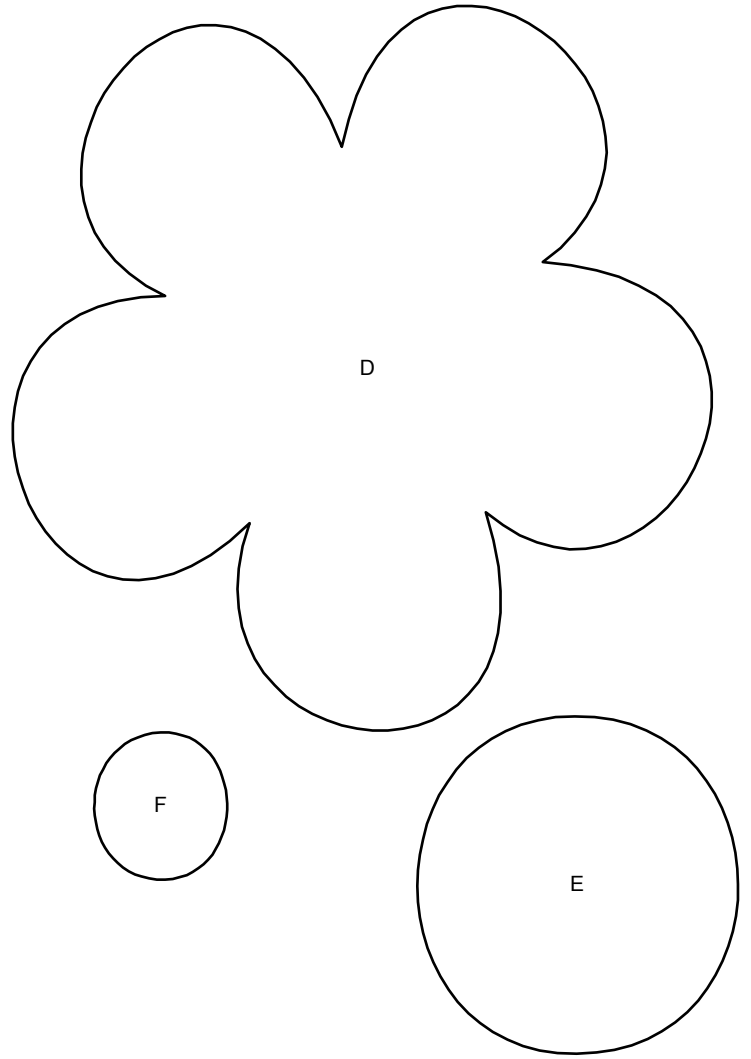

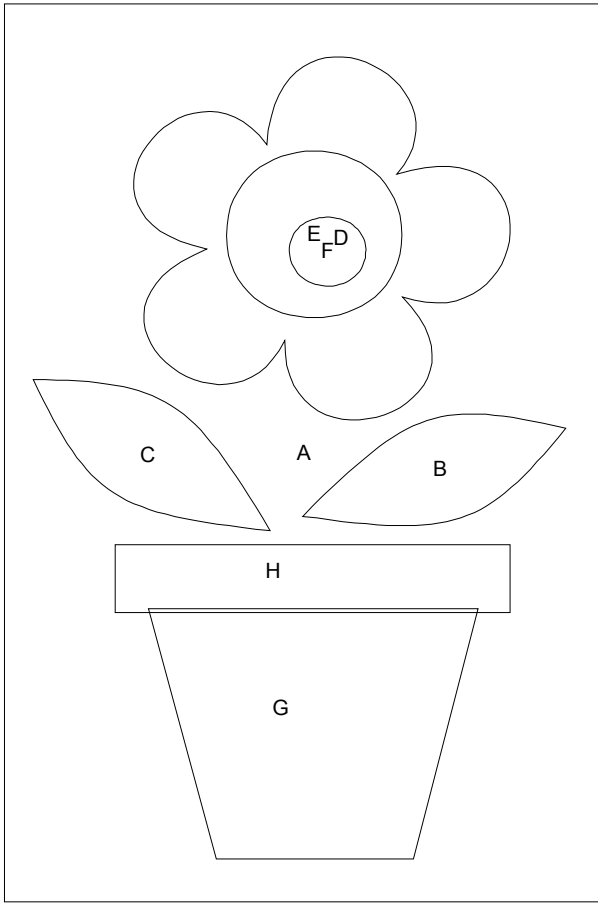

This is my original design.
